

**CASE
STUDY**

**Refurbishment of ATS Sites
in Bradford & Stockport**

Before

After

Client: BDN Ltd

Location: Bradford & Stockport

Contracts Manager: Carl Brattan

Project Brief:

We were approached by our client BDN to quote for the ATS refurbishment projects. We quoted and won works, including:

External works - Decoration to shutters, bollards, sectional doors, car park repairs and white lining.

Internal works - Full fit-out of office and customer areas.

Project Solution:

Installation of all unitary, painting and decorating, electrics, plumbing and flooring. Delivered to site and installed by our experienced fitting and sub-contract teams, in accordance with ATS and our clients' requirements. All works completed on time and under budget!!!

Project Date:

September 2011
